LINING-OUT STOCK

STATICE DUMOSA

This is the finest statice for drying, being superior to German statice in flower and stem. It dries clear silvery white and is lavender when fresh. For the garden it is an unusually graceful, colorful and iron-clad hardy ornamental. DUMOSA is in full bloom nearly a month earlier than Latifolia and the plant is attractive all summer.

Heavy 1 yr. plants.	\$13.50 per 1000	1.50
---------------------	------------------	------

STATICE LATIFOLIA, 1 yr. plants.		1.50
----------------------------------	--	------

STOKESIA CYANEA, heavy 1 yr. plants.		1.50
--------------------------------------	--	------

THALICTRUM ADIANTIFOLIUM. The ferny leaves are excellent for florist's "greens" and the plant is good for shady places.		1.00
---	--	------

TUNICA SAXIFRAGA ROSEA FL. PL., May 15 delivery.		2.50
--	--	------

VIOLAS

Bushy plants in bud or bloom. NONE after May 1.

ARKWRIGHT RUBY, ruby-red, suffused mahogany.		2.00
--	--	------

PAPILLIO, early, blue and white combination.		1.00
--	--	------

PUCK, early, purple and gold.		2.00
-------------------------------	--	------

LARGER PLANTS

Size individually indicated. 10 at the 100 rate.

ANTHEMIS MOONLIGHT, true stock. Established in 2¼-in. pots last fall, knocked out and set in soil in frames. These are now heavy, bushy plants and growing rapidly.		12.00
---	--	-------

DIANTHUS BOBBY, heavy 1 yr., deep pink.		15.00
---	--	-------

ARMERIA CEPHALOTES RUBRA, 1 yr. in the field.		10.00
---	--	-------

RUDBECKIA THE KING, heavy one year field plants from which roots were cut for propagation. Enough roots were left for good growth so these will make good blooming clumps this summer.		10.00
--	--	-------

VINCA MINOR BOWLE'S VARIETY, 1 yr. field plants.		8.00
--	--	------
